### Travel by Airplane Tips / Do's and Don'ts

- All travelers must have their own driver's license with them to check in.
- Items not to bring (weapons, certain batteries, defense sprays, etc). Full list of restrictions can be found at: <https://www.united.com/ual/en/us/fly/travel/baggage/dangerous.html>
- You are allowed to bring a quart-sized bag of liquids, aerosols, gels, creams and pastes in your carry-on bag and through the checkpoint. These are limited to travel-sized containers that are 3.4 ounces (100 milliliters) or less per item. Placing these items in the small bag and separating from your carry-on baggage facilitates the screening process. Pack items that are in containers larger than 3.4 ounces or 100 milliliters in checked baggage.
- Filled water bottles are not allowed through TSA. Bring it empty and fill it once you pass thru TSA.
- Luggage:
  - o Included in price of ticket: One carry on items with maximum dimensions of 9"x14"x22" (22 cm + 35 cm + 56 cm) in the aircraft cabin, along with one personal item such as a laptop bag with maximum dimensions of 9"x10"x17" (22 cm + 25 cm + 43 cm).
  - o All larger suitcases must be put on the trailer at LREC on Monday, April 17??
